## UK NATIONS + REGIONS ITL1

### Innovation active businesses

Businesses that engage in any of the activities related to product/service or process innovation, and/or engaging in innovation projects are defined as innovation active (ONS).

Being innovation-active measures businesses' approach to continual improvement, which is an important driver of productivity growth.

In 2022, the East of England, South East, South West and North East had higher levels of innovation active businesses compared to the UK ITL1 median of 35.4%.
