

PRODUCTIVITY SCORECARD

UK NATIONS + REGIONS ITL1

Skills development and job-related training

Represents a percentage of employers providing training for staff over past 12 months.

Only 48% of employers nationwide provided training in 2022. Except for the East of England and North West indicating higher levels of training for staff, all UK ITL1 areas were equal to the UK median of 47%.

Short-term: There has been a decrease by 6% for the UK median from 50% in 2019.

Long-term: A decrease is even greater (-11.3%) compared to 2017.
